

Introducing... the Grow Challenge

When the Young Friends' signature event, Party with the Plants, had to be cancelled, they decided the work of the Danforth Center couldn't wait. They launched the **Danforth Center Grow Challenge Week of Giving** (Sept. 28 – Oct. 2) and raised more than \$45,000 for STEM education and early-stage projects. Thank you to everyone who contributed to grow our Center, help our region, and feed our world.
